Mr. Frank M. Heine  
Windsor High School  
6208 Highway 61-67  
Imperial, MO 63052

Dear Mr. Heine:

Thank you for inviting a speaker from the Central Intelligence Agency to address the Windsor High School Law and Contemporary Issues Class.

Due to limited resources, it is our policy not to brief secondary schools. Therefore, we are unable to send a speaker from this Agency. Also we are not a law enforcement agency and as a result could not address this subject. Since you have already heard speakers from the FBI and the Secret Service, you might be interested in trying the State Department, which is the U.S. Government's focal point for foreign policy and could possibly fit in with the contemporary issues portion of your course. Their address is:

Assistant Secretary for Public Affairs  
Department of State  
2201 C Street, N.W.  
Washington, DC 20520

Thank you for your interest. Enclosed for your information are our brochures, Intelligence: The Acme of Skill and the Fact Book.

Sincerely,

Dear Sir:

I have contacted the [ ] the headquarters office and they have informed me to make a request for a guest speaker thru your office. Many times in the past the FBI and the Secret Service have made presentations to our high school Law and Contemporary Issues classes. We would be grateful if your agency would speak to our students, many of whom are interested in Federal Service.

If possible we would like an agent to be at our school any week day in April from 9:15 a.m. to 12:05 p.m.

Sincerely yours,

*Frank M. Heine*
